SUB-CATEGORY	Ink Mixer
AVAILABILITY	1 in stock
MANUFACTURED	Dec 31, 2024

Description

The RBM4000 has been designed to ensure maximum performance and durability when used for mixing high viscosity paste inks. The design includes all of the standard mixer operating and safety features. The robust frame and controls ensure reliable performance even in the toughest environments. The unit is designed to be bench or floor mounted.

Technical specification

Features:

- Manufactured in the USA — Service capable
- High torque motor — High viscosity capabilities
- Variable speed — Controlled mixing
- Container clamp interlock — Safety
- Rugged construction — Durable
- Air over oil lift — Smooth

Specifications:

- 3 HP motor
- 220v single phase 20A
- 90 PSI air
- 40 Lb. mix capability (5-gallon bucket)

Blade Options:

- 9" Diameter

- 6.5" Diameter
- 5"Diameter

SPEC Iblend Management Software:

SPEC iBlend Management System software is the most comprehensive dispensing system software available. The software is written for Windows PC's and is available for use with VB or SQL databases. The software is designed for ease of use with a mouse for point-and-click operation and provides complete inventory management and production reporting functions. in addition to automated dispensing.

- The software is divided into several main categories including:
- File Maintenance (for input of raw materials, customers. VOC's, etc.)
- Formula Maintenance (for input and editing of formulas)
- Production Control (for all production related functions such as dispensing, toning, returns, etc.)
- Inventory Control (for all functions relating to raw material inventory, container levels, physical inventory, etc.)
- Reports (to view or print any one of over 60 inventory, productions. and costing reports available on the system)

About CPPEX Global — MENA

A buyer and seller platform for printing inks, pressroom chemicals, adhesives, film and paperboard, machinery and instruments — and an exclusive distributor for manufacturers across the USA, Europe, the Middle East, North Africa and South Asia.
